Elementary Hosts Family Fun Science Night

In March, more than 50 families had the opportunity to participate in a family night of fun while learning more about science. Mrs. Sarah Baughman used funds from a Dominion Grant that she received to put on the program in combination with 21st Century Grant money. Mrs. Terri Schlegel and Mrs. Sharon Siebenek co-ordinate the after school program for the 21st Century Grant. This was the first year that the school was able to put on this widely successful program in which families explored different stations that were set up with the cooperation of Science Central of Ft. Wayne.

21st Century Grant Provides for Purchase of Chromebooks

Students participating in the 21st Century after school program now have the ability to get extra help through

the use of Chromebooks. The district was able to purchase 40 of these devices from part of the grant money the district received.

Free Developmental Screenings Coming

The Putnam County Educational Service Center (ESC) Early Discovery Preschool staff will be conducting free developmental screening at Continental Elementary School. These screenings will take place on April 15 from 8:30 am – 2 pm by appointment only. Screenings will check on vision, hearing, and other developmental skills such as talking, crawling, walking, play skills, etc. To make an appointment, please call 419-523-5951 extension 3023.
