Five Continental Students Inducted into National Technical Honor Society

Induction ceremonies were held on September 29th for the newest members elected into the National Technical Honor Society (NTHS). Five Continental High School students were part of this ceremony, the most to represent our district in many years.

Students that were inducted include: Tabbetha Dixon (Auto Body), daughter of Anthony and Constance Dixon; Levi Hiltner (Industrial Mechanics), son of Jim and Tammy Hiltner; Alexis Doster (Medical Office), daughter of Todd Doster and Jannan Doster; Bianka Robach (Health Technology), grand-daughter of Nicole Frees; and Darian Tijerina (Electricity), daughter of Nicole Kelley and Daniel Tijerina.

Students selected into the NTHS are done so to honor the achievements of top vocational education students, provide scholarships that encourage further pursuit of higher education, and cultivating excellence in career fields that are very competitive.

Congratulations to these outstanding students!
