

**CONTINENTAL HIGH SCHOOL
STUDENT PARKING REGISTRATION
2018-2019**

Parking Registration No. _____

Name of student _____ Grade _____

List below the cars you will be driving to school.

Model	Year	Color	License Plate

All students driving to school and parking on school grounds must register their vehicle each school year within the first ten (10) days of school by completing and returning to the office this registration form with their parking registration number noted.

Students needing to purchase a registration tag should complete this form and return it along with \$3.00 within the first ten (10) days of parking on school grounds. This tag needs to be purchased only once and may be used for future school years.

The parking tag must be displayed on the rear-view mirror, be visible from outside the vehicle and can be used for any vehicle which is registered above. It is the student's responsibility to register any additional vehicles, as necessary, during the school year.

Drivers of unregistered vehicles or of vehicles not displaying a parking tag may be issued a monetary fine or face the loss of parking privileges.

Students are urged to drive in a "mature and safe manner" both to school and in the parking lots. All student vehicles should be parked in the student parking lot. No student should be in the student parking lot during the school day without permission. Reckless operation or improper parking may result in the suspension of parking privileges, a monetary fine, or the involvement of law enforcement personnel.

Every attempt will be made to assure the safety of vehicles parked on school property, although parking lots cannot be supervised at all times. Therefore, students and parents/guardians are advised that Continental Local School does not assume responsibility for damages to vehicles, or their contents, parked on school property.
